ARCH TECHNOLOGIES

Letter of Recommendation

February 25, 2026

To Whom It May Concern:

This letter is to formally acknowledge the successful completion of the Data Science Internship and Training Program by Fawad Ahmad organized by Arch Technologies. The internship was conducted from 1st January to 25th February 2026, spanning a duration of 8 weeks.

During the internship period, the student consistently demonstrated a high level of professionalism, a strong willingness to learn, and a positive attitude toward tasks and team collaboration. Punctuality, sense of responsibility, and ability to work effectively in a team were commendable throughout the tenure. We sincerely appreciate the enthusiasm and dedication brought to the role. The contributions made during the internship were valuable and reflect strong potential for continued growth in practical field.

We are confident that the knowledge and hands-on experience gained at Arch Technologies will serve as a strong foundation for future academic and professional pursuits.

Best Regards,
